Dear Gary:

I wanted to reach out to you and personally thank you for the Busch Gardens tickets – the kids had a fabulous time. I am hoping that by now you have received notes from the children in reference to this trip. Your generosity is overwhelming and greatly appreciated.

It is my hope that you have a blessed and safe holiday season. How awesome does it feel that the Bucs are doing so well? Too bad the Noles struggled in the way they did this season – if we only had an Offensive Coordinator 😊.

I look forward to speaking with you soon.

Thank you,

  
Bonita R. Pulido  
Executive Director
